The authors have retracted this article because in follow up expressions the EAAT1 expression on cytomembranes of glioma stem cells could not be replicated. Additionally, the authors did not have permission to utilize and publish the data regarding the EAAT1 antibody. All authors agree with this retraction.

The online version of this article contains the full text of the retracted article as Supplementary Information.

Supplementary Information The online version contains supplementary material available at <https://doi.org/10.1007/s10571-020-00886-3>.
