Unfortunately, there are several mistakes in the original publication of this article:

1. Figure 1c is missing. It is given here:

2. The last two graphs of Fig. 2 should have been labelled **c** and **d**, not **a** and **b**.
3. In the **Acknowledgments** section towards the end “(S-5-3)” should be “(S-5-1)”.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s10584-012-0430-8>.
