Correction to: Community Mental Health Journal
<https://doi.org/10.1007/s10597-021-00777-x>

The original version of this article unfortunately contains an error in Ethical approval section.

The last sentence of this section should read as “Informed consent was obtained from all study participants. The data used in this analysis does not include information collected from or about participants in this research study.”

The complete updated section is given here:

Ethical approval All procedures and data collection for this study were reviewed and approved by the Institutional Review Board at the University of North Carolina-Chapel Hill. These procedures were performed in line with the

tenets of the Declaration of Helsinki. Informed consent was obtained from all study participants. The data used in this analysis does not include information collected from or about participants in this research study.

The original article has been corrected.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
