Correction to:

Comput Math Model 2024

<https://doi.org/10.1007/s10598-024-09595-8>

This article was originally published with an incorrect title due to errors introduced in production. The article has been corrected to replace “Case study of video compression via tensor train and Tucker decompositions” with “Synthesis of motion control of a nonlinear system along a given spatial trajectory” as the title.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
