Retraction Note to:

Dig Dis Sci (2013) 58:706–714

<https://dx.doi.org/10.1007/s10620-012-2395-x>

The Editor-in-Chief has retracted this article [1] because Figure 8 overlaps with Figure 6b of [2] and Figure 6 overlaps with Figure 3 of [3] and Figure 3 of [4]. An investigation by Zhengzhou University has confirmed that these figures overlap. The data reported in this article are therefore unreliable. Guo-qiang Zhao does not agree with this retraction. The other authors have not responded to any correspondence about this retraction.
