Correction to:
Digestive Diseases and Sciences (2019) 64:2709–2716
<https://doi.org/10.1007/s10620-019-05778-1>

The original version of the article unfortunately contained an error in one of the sentences. The sentence, “Eventually, Dan Drucker in Pat Brubaker’s laboratory convincingly demonstrated that GLP-2 is the proglucagon product controlling intestinal proliferation [19],” should read “Eventually, Dan Drucker convincingly demonstrated that GLP-2 is the proglucagon product controlling intestinal proliferation [19].”

Publisher’s Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s10620-019-05778-1>.
