Sun Jung (Sunny) Oh is currently a second-year fellow at Johns Hopkins University Division of Gastroenterology and

Hepatology. Following her degree of a B.S. in psychology as an undergraduate at Carnegie Mellon University, she worked at a bioengineering lab in University of Pittsburgh for 3 years where she developed her interest in medicine and research. She received her medical degree at Medical College of Georgia and completed her internal medicine residency at Cedars-Sinai Medical Center in Los Angeles, CA. She has an interest in GI motility disorders and gut microbiome, as well as health outcomes research and medical education. She hopes to continue her career in academic gastroenterology after graduating from fellowship.
