Domenico Tripodi received his first MD degree in Experimental and Applied Biology—“Biomedical”

curriculum—from the University of Pavia and his second MD in Medicine in 2016 from “Tor Vergata” University in Rome.

He is currently a fourth-year general surgery resident at the Department of Surgical Sciences—Sapienza University of Rome; he is learning all aspects of breast surgery. His research interest is in oncologic and plastic surgery of the breast, and he is involved in the treatment of cancer patients. He is a member of the Italian National Association of Breast Surgeons (ANISC).
