Correction to: Educational and Information Technologies

<https://doi.org/10.1007/s10639-020-10274-5>

The published version of this article unfortunately contains blinded information. In the 3rd paragraph, 1st line of the Introduction, the “blinded review” in the sentence “At the *blinded for review*, University of New Haven...” must be removed.

In the 5th line of the same paragraph, “[ref blinded for review]” is changed to [Przyborski et al. 2019].

The original article has been corrected.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
