ERRATUM

Erratum to: Salt or Sludge? Exploring Preferences for Potable Water Sources

Fiona L. Gibson · Michael Burton

1 Erratum to: Environ Resource Econ DOI 10.1007/s10640-013-9672-9

The authors would like to point out that the 4th line of equation 8 should read

$$
\begin{aligned}
P\{1/1\}^+ &= 1 - \Phi(\alpha^+ + \beta^+ A_u) & if\ A > 0 \\
P\{0/0\}^+ &= \Phi(\alpha^+ + \beta^+ A_d) & if\ A > 0 \\
P\{1/0\}^+ &= \Phi(\alpha^+ + \beta^+ A_u) - \Phi(\alpha^+ + \beta^+ A) & if\ A > 0 \\
P\{0/1\}^+ &= \Phi(\alpha^+ + \beta^+ A) - \Phi(\alpha^+ + \beta^+ A_d) & if\ A > 0
\end{aligned}
$$

The online version of the original article can be found under doi:10.1007/s10640-013-9672-9.
