Correction to: Environmental and Resource Economics <https://doi.org/10.1007/s10640-018-0281-5>

During the correction stage, the author requested that “302 be in line with NPV^* and NPV_f^* ” in Table 4. However, adherence to Springer style prevented the particularities of this request to be fully carried out in the in the PDF versus the HTML versions of the article. To correct the issue, an update to the original article was made. The original article has been corrected.
