Correction to: Environmental and Resource Economics (2020) 77:35–67
<https://doi.org/10.1007/s10640-020-00434-z>

The article was published with a typographical error in the title. The title should be cited and referenced as, Non-participation and Heterogeneity in Stated Preferences: A double hurdle latent class approach for climate change adaptation plans and ecosystem services, and not the prior.

This correction stands to correct the original article.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
