This erratum is published due to inaccuracies in the original publication.

1. *Zymoseptoria tritici* in the title is supposed to be in italics: *Zymoseptoria tritici*.
2. In Table 3: Mixtures:
epoxiconazole + pyraclostrobin = Opera (so the additional “epoxiconazole” below needs to be erased.
prothioconazole + tebuconazole = Prosaro (the additional “prothioconazole” below needs to be erased and an “o” is missing in prothiconazole).
