After publication of this article we became aware that the corresponding author was incorrectly shown as Ornella Mattei. The corresponding author is Mikyoung Lim (mklim@kaist.ac.kr).

In addition, there is an error in the subsection “Layer Potential Technique” of the section “Preliminary”: the sentence “Note that, due to (2.5), the problem of finding the displacement field $\mathbf{u}(\mathbf{x})$ satisfying (2.2) is equivalent to finding the single-layer potential $\mathbf{S}_{\partial\Omega}[\boldsymbol{\varphi}](\mathbf{x})$ (2.7) by finding the density function $\boldsymbol{\varphi}(\mathbf{x})$ satisfying (2.6).” should read “Note that, due to (2.5), the problem of finding the displacement field $\mathbf{u}(\mathbf{x})$ satisfying (2.2) is equivalent to finding the single-layer potential $\mathbf{S}_{\partial\Omega}[\boldsymbol{\varphi}](\mathbf{x})$ (2.7) by finding the density function $\boldsymbol{\varphi}(\mathbf{x})$ satisfying (2.6) and the boundary condition in (2.2).”

The original article has been corrected.
