Correction to: Environ Monit Assess (2019) 191:663
<https://doi.org/10.1007/s10661-019-7883-4>

In the original paper, there was an error in the communication unit 1. The communication unit was “Liaoning Engineering Research Center for Treatment and Recycling of Industrially Discharged Heavy Metals, Shenyang University of Chemical Technology, Shenyang 110142, People’s Republic of China” rather than “Liaoning Engineering Research Center for Treatment and Recycling of Industrially Discharged Heavy Metals, Shenyang 110142, People’s Republic of China”.

The corrected affiliation is shown below.

Publisher’s note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
