The original version of this article unfortunately contained minor mistakes in the abstract and introduction section.

A line in the *Abstract* section should be read as ‘The present study aims to analyse the impacts of Amphan cyclone on land use/land cover (LULC) such as built-up area, cropland, brick-kiln industries and vegetation cover of nine districts of W.B. namely, Bardhaman, Nadia, North 24 Parganas, South 24 Parganas, Purba Medinipur, Paschim Medinipur, Haora, Hugli and Kolkata’ instead

of ‘The present study aims to analyse the impacts of Amphan cyclone on land use/land cover (LULC) such as built-up area, cropland, brick-kiln industries and vegetation cover of nine districts of W.B. namely, Bardhaman, Nadia, North 24 Parganas, South 24 Parganas, Purba Medinipur, Paschim Medinipur, Haora, and Kolkata’.

A line in the first paragraph of the *Introduction* section should be read as ‘Frequent tropical cyclones occur over the Bay of Bengal during November and May months (Singh et al., 2000)’ instead of ‘Frequent tropical cyclones occur over the Bay of Bengal during November-May months (Singh et al., 2000)’. The last line of the *Introduction* section should be read as ‘Considering the level of the severity of the Amphan cyclone, the present study aims to analyse the impacts of the cyclone on LULC (built-up area, cropland, brick-kiln industries and vegetation cover) of nine districts of W.B. namely, Bardhaman, Nadia, North 24 Parganas, South 24 Parganas, Purba Medinipur, Paschim Medinipur, Haora, Hugli and Kolkata’ instead of ‘Considering the level of the severity of the Amphan cyclone, the present study aims to analyse the impacts of the cyclone on LULC (built-up area, cropland, brick-kiln industries and vegetation cover) of nine districts of W.B. namely, Bardhaman, Nadia, North 24 Parganas, South 24 Parganas, Purba Medinipur, Paschim Medinipur, Haora and Kolkata’.
