Germany, South Korea, Canada, Mexico, and South Africa in China, USA, India, Russia, Japan, Germany, South Korea, Canada, Mexico, and South Africa” appearing in abstract contains the country name twice.

The correct sentence is “The results obtained show that firstly, the main results are that income per capita significantly increases environmental pollution across top 10 carbon emissions countries; this study also supported the EKC hypothesis in the top 10 countries in China, USA, India, Russia, Japan, Germany, South Korea, Canada, Mexico, and South Africa.”
