Correction to: European Journal of Population

<https://doi.org/10.1007/s10680-019-09550-z>

The original version of this article unfortunately contained a mistake. In the article published online 22 January 2020 figure 2 was printed without crucial value labels. In addition, on the same figures, the values which were included were misaligned. The correct Fig. 2 is published below.

The original article has been corrected.

The original article can be found online at <https://doi.org/10.1007/s10680-019-09550-z>.
