**Erratum to: Plant Growth Regul (2012)
68:111–127
DOI 10.1007/s10725-012-9704-4**

Author would like to correct Fig. 2d which has little ‘apparent similarity’ with previously published figure. In this figure, the author has replaced this panel with

representative image. The choice of appropriate panel was overseen earlier. This change does not impact the results reported in the paper. Author apologised for this unintentional error.

The online version of the original article can be found under doi:[10.1007/s10725-012-9704-4](https://doi.org/10.1007/s10725-012-9704-4).
