The original version of this article unfortunately contained a mistake. The corrections are as follows:

- 1) In the Abstract section, "Hong Kong SAR, People's Republic of China (PRC)" should instead be "Shanghai, People's Republic of China (PRC)".
- 2) In page 10, 3rd paragraph, 4th line, the "FUD" in "...Year 2 students (Interview/FDU08) reported that he was initially surprised that FUD's classes..." should be changed to "FDU" so the sentence should now read: "Year 2 students (Interview/FDU08) reported that he was initially surprised that FDU's classes".
