In Table 7 of this article, the data are incorrect. The discrepancy arose from the manual transfer of data between the dataset downloaded from the Web of Knowledge database and our manuscript. The incorrect and correct Table 7 is shown below. Also, under Table 7 there is a discrepancy in the numbers mentioned in the two sentences. This is shown below. The original article has been corrected.

Incorrect Table 7

Incorrect published sentence: “Out of 35 articles in this journal by authors from Slovak PSDs in the evaluated period, 20 articles (57%) were written by scholars from the same University that publishes the journal. The other 43% were written by authors from four other Slovak universities.”

The correct version: “Out of 72 articles in this journal by authors from Slovak PSDs in the evaluated period, 24 articles (33%) were written by scholars from the same University that publishes the journal. The other 67% were written by authors from other Slovak universities.”
