During the publication process of above mentioned article the *Notes* to Figs. 1, 2, 3, and 4 were erroneously deleted from the figure legends. The correct versions are given below:

Fig. 1 Macleay's global network of agents. *Note* Ties between Sydney and other cities indicates that Macleay had an agent in that city. Thicker ties indicate more agents or more frequent transactions. Scale 1:125,000,000

Fig. 2 Macleay's global network of agents—Asia-Pacific. *Note* Ties between Sydney and other cities indicates that Macleay had an agent in that city. Thicker ties indicate more agents or more frequent transactions. Scale 1:45,000,000

Fig. 3 Macleay's global network of agents—monetary transactions. *Note* Ties between Sydney and other cities indicates that Macleay had an agent in that city. Thicker ties indicate more agents or more frequent transactions. Scale 1:125,000,000

Fig. 4 Macleay's global network of agents—exchange transactions. *Note* Ties between Sydney and other cities indicates that Macleay had an agent in that city. Thicker ties indicate more agents or more frequent transactions. Scale 1:125,000,000
