Correction to: Research on Child and Adolescent Psychopathology

<https://doi.org/10.1007/s10802-023-01114-4>

The original version of this article contained mistake in the references. At the time of writing, the paper we were commenting on was not yet published, and this has resulted in a big oversight. Although the paper is literally mentioned in the title, there is no linked citation in the paper or in the reference list. The following reference should be added in the list.

Sisitsky, M., Hare, M., DiMarzio, K., Gallat, A., Magariño, L., & Parent, J. (2023). Associations Between Early Life Adversity and Youth Psychobiological Outcomes: Dimensional and Person-Centered Approaches. *Research on Child and Adolescent Psychopathology*, 1-12. <https://doi.org/10.1007/s10802-023-01064-x>

The original article has been corrected.
