Correction to:

Journal of Autism and Developmental Disorders

<https://doi.org/10.1007/s10803-020-04369-8>

The original version of this article unfortunately contained a consistency mistake in Fig. 1 legend. The legend for Fig. 1 refers to "Non-ADHD/Non-ASD Concerns" instead of "Comparison," which is the wording used in the text/tables, but that these terms are synonymous.

Figure 1 with the correct legend is given below.

The original article can be found online at <https://doi.org/10.1007/s10803-020-04369-8>.
