RETRACTED ARTICLE: Research on Service Design for People with Mental Disorders: Take Curing Digital Cloud Tourism App Media in the Post-Epidemic Era as an Example

Hongyan Xue[1] · Yaru Li[1] · Xin Xiong[2]

The Publisher has retracted this article in agreement with the Editor-in-Chief. The article was submitted to be part of a guest-edited issue. An investigation by the publisher found a number of articles, including this one, with a number of concerns, including but not limited to compromised editorial handling and peer review process, inappropriate or irrelevant references or not being in scope of the journal or guest-edited issue. Based on the investigation's findings the publisher, in consultation with the Editor-in-Chief therefore no longer has confidence in the results and conclusions of this article.

Authors Xin Xiong and Hongyan Xue disagree with this retraction. Author Yaru Li has not responded to correspondence regarding this retraction.

The online version of this article contains the full text of the retracted article as Supplementary Information.

Electronic supplementary material The online version of this article (https://doi.org/10.1007/s10803-022-05833-3) contains supplementary material, which is available to authorized users.
