The original version of this article unfortunately contained a mistake. On page 9, the text “Of importance, the definitions of bullying offered by participants were parallel to the

standard research definitions currently utilized in the field” should read as “Of importance, the definitions of bullying offered by participants were NOT (emphasis added) parallel to the standard research definitions currently utilized in the field”.

The original article can be found online at <https://doi.org/10.1007/s10826-018-1197-y>.
