The original version of this article unfortunately contained the following mistakes:

1. The author Lauren J. Breen's affiliation should be 1 and 2 (not 1 and 3).
2. In the Findings section, the heading Becoming Bereaved should be Managing Grief.
3. The Conflict of interest section should read as: Lionheart Camp for Kids had no role in the design of the study or in the analysis and interpretation of data.

The original article has been corrected.
