Correction to: Journal of Interventional Cardiac Electrophysiology
<https://doi.org/10.1007/s10840-020-00721-1>

Figure 1 as originally published is incorrect. On the published Figure 1 it reads 3 patients Medtronic Sensia and 3 patients Medtronic Advisa. This should read 1 patient Medtronic Sensia and 1 patient Medtronic Advisa. Figure 1 has been corrected below.

The authors apologize for this error.

Fig. 1 Flowchart showing number of patients and their cardiac implantable device
