The original online version of this article was revised due to the following typesetting mistakes:

1. Statement under Figure 4 which states “As indicated in Figs. 5 and 6, there is variation...” should be Figs. 4 and 5 instead.
2. Table 6 and Figure 6 have to be under Section 4.3.2. PSM Assumption Tests.
3. Table 9 has to be placed just after Table 8 not under Estimation of Continuous Treatment Effects
4. Figure 9 has to be placed after Figure 8 as part of Estimation of Continuous Treatment Effects not in Conclusion section.

The original article has been corrected.
