Dear Colleagues,

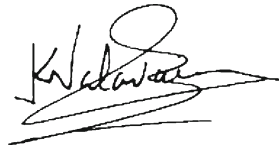

This is indeed a busy period as the new academic year has started. We all try to catch up, start new projects, do research, teach, etc. I am sure there is no time for relaxation and the word 'vacations' is unknown!

However, this may also be the best time to submit a paper, since all of us will be overwhelmed soon, doing a million things in parallel.

Regardless, we manage to survive year-in and year-out. Thus, I am sure we will manage this year,

too. I only want to plead my case not to forget your Journal and contribute.

Enjoy the issue.
