### Erratum to: J Mater Sci: Mater Electron DOI [10.1007/s10854-017-6747-3](https://doi.org/10.1007/s10854-017-6747-3)

The original version of this article unfortunately contained a mistake in the Authorship and Results and Discussion section.

It has been corrected with this erratum.

#### 1. Author and Affiliation:

Dr. Kheirollah Mohammadi and Dr. Rohollah Azimrad were mistakenly included as authors in the authorship of the article. These two authors have been removed.

The correct authorship is: Masoud Sadeghi and Mostafa Ebrahimi

The affiliation and e-mail address are also corrected with this erratum.

#### 2. Results and Discussion:

- (a) The JCPDS Card No. for XRD pattern should be 07-0276 instead of 84-1531. It should be read as JCPDS Card No: 07-0276.
- (b) The sample 4 (EDTA as capping agents) used for XRD, FT-IR, VSM analysis, and photocatalytic activity.

---

The online version of the original article can be found under doi:[10.1007/s10854-017-6747-3](https://doi.org/10.1007/s10854-017-6747-3).
