Erratum to: J Mater Sci: Mater Electron DOI 10.1007/s10854-017-7616-9

The original version of this article unfortunately contained errors in the abstract section. The errors and the corrections are given below.

1. In third sentence: “With the increase of Hf^{4+} or Li^+ , their T_d and T_m values gradually decreased.” should

be read as “With the increase of Hf^{4+} or Li^+ , their T_d values gradually decreased.”

2. In fourth sentence: “...and maximum d_{33} value of ~ 100 pC/N and ϵ_r value of ~ 850 were achieved for $x=0.03$ and $y=0.1$.” should be “...and maximum d_{33} value of ~ 100 pC/N and ϵ_r value of ~ 850 were achieved for $x=0.03$, $y=0.1$ and $x=0.12$, $y=0$, respectively.”

The original article has been corrected.

The online version of the original article can be found under doi:[10.1007/s10854-017-7616-9](https://doi.org/10.1007/s10854-017-7616-9).
