Correction to: J Mater Sci: Mater Electron
DOI 10.1007/s10854-017-7842-1

The original version of this article unfortunately contained an error in Sect. 3.3 Structural analysis Equation (7). The corrected version is published with this erratum (Eq. 7).

$$D = \frac{k\lambda}{\beta \cos(\theta)} \quad (7)$$

The online version of the original article can be found under doi:[10.1007/s10854-017-7842-1](https://doi.org/10.1007/s10854-017-7842-1).
