Retraction to: **Journal of Materials Science: Materials in Medicine (2020) 31:125**
<https://doi.org/10.1007/s10856-020-06467-6>

This article has been retracted at the request of the authors due to the multiple errors in Fig. 13. As some in vivo data are flawed, the conclusions of the article are no longer viable. The authors sincerely apologize to readers and the journal for any inconvenience caused. The authors are repeating their study and will submit a corrected manuscript for peer review. All authors agree to this retraction.
