Erratum to: J Bioenerg Biomembr (2016)
DOI 10.1007/s10863-016-9654-z

The figure for “Homology model of the conserved ABCC6 L0 domain” was inadvertently omitted from ESM 1. Further, on page 8, the reference to this figure is given as Fig. 4A which is incorrect and should refer to ESM 1. The correct ESM file and the citation has been updated in the original article. We regret the errors.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s10863-016-9654-z>.
