Erratum to: J Atmos Chem
DOI 10.1007/s10874-016-9342-8

The original version of this article unfortunately contains mistakes introduced during the production process. The corrections are given in the following list:

- (1) Equation (18) (immediately following (17)) was incorrect. The formula already given in (29) has been substituted for the correct equation (18). The correct equation (18) is now shown correctly in the article.
- (2) In all occurrences of the subscripts, greek symbols were missing. For example, the best fit reaction probability ($\gamma_{\text{best-fit}}$) appeared as just best-fit (in subscript), without the gamma. The article is now corrected showing the missing greek symbols with the subscripts.

The original article was corrected.

The online version of the original article can be found at doi:<http://dx.doi.org/10.1007/s10874-016-9342-8>
