### Correction to: Journal of Clinical Immunology

<https://doi.org/10.1007/s10875-020-00921-4>

The original article contained errors in Tables 1 and 3. The 3 entries of Table 1 were mistakenly changed to “None” instead of “TRECs/uL:29”, “TRECs/uL:250” and “Ct:37.7”. While in Table 3, “IgC” should be “IgG”.

The original version has been corrected.
