Correction to:
Journal of Clinical Monitoring and Computing
<https://doi.org/10.1007/s10877-021-00701-4>

In the original publication of the article, the 95% CI of peripheral tissue oxygenation decrease > 10% from baseline was published incorrectly under Abstract section. The correct CI should read as 95% CI 0.619 to 0.914; $p = 0.010$.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s10877-021-00701-4>.
