CORRECTION

To the article "Intensification of the Magnetic Field in Jet Flows of Conducting Materials: Collision of Two Such Flows," by S. V. Fedorov, Vol. 94, No. 3, pp. 654–665, May, 2021.

Reference 16 on page 665 is incorrect. It should read

16. S. V. Fedorov, I. A. Bolotina, and Yu. A. Strukov, Thermal effects during inertial stretching of high-gradient conductive rod with "frozen" magnetic field, *Herald of the Bauman Moscow State Tech. Univ., Nat. Sci.*, No. 2, 39–59 (2018). DOI: 10.18698/1812-3368-2018-2-39-59.
