Correction to: Journal of Fusion Energy <https://doi.org/10.1007/s10894-023-00345-z>

The original abstract of this article unfortunately had a misprint of the unit for highest $n\tau T$ product. The corrected text should read “the highest $n\tau T$ product of 3.4×10^{20} keV-s/m³”. This has been corrected by publishing this correction article.

The original version has been updated.
