Correction to: Journal of Global Optimization

<https://doi.org/10.1007/s10898-022-01127-1>

The top-right part of Fig. 9 is missing from the published version of [1]. Figure 1 is the correct one, with the small portion of the curve corresponding to the non-equilateral hexagons at $P \approx 3.1$ and $A \approx 0.674$.

The original article can be found online at <https://doi.org/10.1007/s10898-022-01127-1>.
