The original version of this article unfortunately contained errors in the Methods section. The citations blinded during the review process were inadvertently omitted during the production process and subsequent stages.

The incorrect reference citations in Participants section and Study Design and Procedures section have been corrected and the below Reference is added.

Kushnir, V., Cunningham, J. A., & Hodgins, D. C. (2013). A prospective natural history study of quitting or reducing gambling with or without treatment: Protocol. *JMIR Research Protocols*, 2(2), e51. <https://doi.org/10.2196/resprot.2727>.

The original article has been corrected.
