There is an error in the Acknowledgement section.

The “Sacramento Area Latino Study on Aging” (SALSA) was incorrectly identified as being managed by the Institute on Aging (IOA) at the University of Wisconsin-Madison and incorrectly identified as being supported by the National Institute on Aging (NIA) grant P01-AG020166, which instead funds the MIDUS study administered by IOA. Although SALSA may be funded by NIA, the grant number acknowledged is incorrect.
