**Retraction Note to: J Inorg Organomet Polym (2016)**  
<https://doi.org/10.1007/s10904-016-0330-x>

plasma shift. *J. Plasma Phys.* **80**(1), 9–25 (2014). <https://doi.org/10.1017/S0022377813000834>

The Editors-in-Chief have retracted this article because it shows evidence of peer review manipulation and authorship manipulation. Additionally, the article shows significant overlap with [1–5].

The authors have not responded to correspondence regarding this retraction.

**Publisher's Note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
