Correction to: Journal of Mathematical Chemistry
<https://doi.org/10.1007/s10910-019-01085-2>

The original version of this article unfortunately contained an error in title. Unintentionally, the special issue title was presented in addition to the article's title.

The correct title of the article should read as presented above, “Mean-based iterative methods for solving nonlinear chemistry problems” instead of “CMMSE-2019 mean-based iterative methods for solving nonlinear chemistry problems”. This has been corrected by publishing this correction article.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s10910-019-01085-2>.
