The original article was published online with two incorrect specimen numbers. On top of page five, under the title of “Newly referred specimens”, number MPEF 2421 should be MPEF 2390 and MPEF 2419 should be MPEF 2396, as in the rest of the paper. In addition, the surname of co-author Guillermo F. Turazzini was incorrectly spelled as Guillermo F. Turazzinni.
