Erratum to: Protein J (2017) 36:308–321 DOI 10.1007/s10930-017-9720-3

The original version of this article unfortunately contains a mistake. The authors have inadvertently incorrectly listed the concentration of TCA in the acetone/TCA/ β -ME solution in the materials and methods section of this paper. The TCA concentration in Sects. 2.3.2 and 2.3.5 should be 10% TCA, making the solution acetone/10% TCA/0.07% β -ME. It is now corrected with this erratum.

The online version of the original article can be found under doi:[10.1007/s10930-017-9720-3](https://doi.org/10.1007/s10930-017-9720-3).
