Retraction Note to: *J Psycholinguist Res* (2009) 38:65–74 <https://doi.org/10.1007/s10936-008-9083-1>

This article has been retracted. Please see the Retraction Notice for more detail: <https://doi.org/10.1007/s10936-008-9083-1>.

The Editor-in-Chief has retracted this article (Tohidian, 2009) because of significant textual overlap with a previously published book chapter (Lund, 2003). The author has not explicitly stated whether they agree with this retraction notice.
