In the above mentioned article, in Freud's theory of the self section, the word topographical should read structural in the following places:

1. In the abstract (p. 1 page).
2. In the first full paragraph of p. 3.
3. In the middle of p. 8—"topographical model of the person."
4. In the first paragraph of p. 11. "What the Freudian topographical model shows..."
