Correction to: J Relig Health (2016) 55:895–908
<https://doi.org/10.1007/s10943-015-0103-9>

The authors regret that the following error occurred in the original publication of the article. The corrected text has been presented with this erratum.

In the Ethical Consideration section, the first statement, “The hospital’s research ethics committee granted permission to conduct the study” should read “The hospital’s administration granted permission to conduct the study.”

The original article can be found online at <https://doi.org/10.1007/s10943-015-0103-9>.
